MetalPrints™ represent a new art medium for preserving photos by infusing dyes directly into specially coated aluminum sheets. Because the image is infused into the surface and not on it, your images will take on an almost magical luminescence. Metal Prints are available in 3 different surfaces: High Gloss, Satin and Sheer. You've never seen a more brilliant and impressive print! Colors are vibrant and the luminescence is breathtaking.

Pricing is the same as the CANVAS PRINTS:

- 11x14" \$120
- 16x20" \$140
- 16x24" \$150
- 20x24" \$160
- 20x30" \$180
- 24x30" \$200

Double-Float prints, and framed metal prints also available at an additional cost.

** Please allow 1-2 weeks for delivery.
